### **Obituary**

Tamara Lea Grant peacefully passed away at home on January 3, 2020. She was born and raised in San Francisco. Graduating from San Francisco State University with a degree in Radiology Technology and was employed by the University of California in San Francisco as a X-ray Technician. In 1969, she met her future husband Dennis who at the time was in the U.S. Army stationed at the Presidio in San Francisco. They were married in

June of 1970 just one day after his discharge from the United States Army. Their loving daughter Zena was born in 1974 where they continued to live in San Francisco until 1979. From 1979 through 1984 they lived in the Los Angeles Area moving to Poway in 1984. They were attracted to Poway for the excellent reputation of the school system and wonderful family based community.

After the move to Poway, Tamara spent the next 17 years working at the Kaiser Hospital where she enjoyed a career in Radiology. At home Tamara enjoyed her cats, watching General Hospital, and most of all spending time with her family and dear friend Mireya and family. Tamara retired in 2007 and thanks to her mother in law she was introduced to the retirement world where she met many other seniors who soon became close friends. She was on the go five days a week playing poker, Mahjong, and Hand and Foot. One of her passions was going out to eat with her family and friends and could eat Sushi every day. The highlight of her retirement was spending time with her grandchildren who lived close by. Tamara and Dennis were married just five months short of 50 years. Tamara enjoyed a full life and had a knack for living every day to its fullest. She is survived by her husband Dennis, her brother Greg, her son in law Mark, and her grandchildren Declan and Sacha. Tamara will be sadly missed by her family and friends but it is reassuring to know she is at peace in Heaven with her daughter Zena.

.I continue to wonder about Tamara Zorn. We met years ago at a campground in San Diego for lunch with her husband and talked old times. Tried her number before the Pandemic in 2018 and found no answer, even wrote a letter to her address in Poway, CA/no answer. She married Dennis Grant and they had one daughter, Zena. Tamara was Tom Bernard's former girlfriend in high school and she was my friend too. I miss her voice and laugh.

They had moved from their house in Poway to, I'm going to assume, possibly a senior community. I was not able to reach her but Dennis did email me about her passing. I wish I had kept it now.

It was January 3rd, 2020.

I looked up obituary for Tamara L Grant and there were several pictures and I recognized her right away. It appears she was cremated and yes, Zena did precede her in death.

We attended RJHS as well. I remember her sitting behind me in Mrs. Altman's class. [RJHS = Roosevelt Junior High School, SF]
