**"Lodi" Credence Clearwater Revival lyrics**

Just about a year ago, I set out on the road,  
Seekin' my fame and fortune, lookin' for a pot of gold.  
Things got bad, and things got worse, I guess you will know the tune.  
Oh ! Lord, stuck in Lodi again.  
Rode in on the Greyhound, I'll be walkin' out if I go.  
I was just passin' through, must be seven months or more.  
Ran out of time and money, looks like they took my friends.  
Oh ! Lord, I'm stuck in Lodi again.

The man from the magazine said I was on my way.  
Somewhere I lost connections, ran out of songs to play.  
I came into town, a one night stand, looks like my plans fell through  
Oh ! Lord, stuck in Lodi again.

Mmmm...

If I only had a dollar, for ev'ry song I've sung.  
And ev'ry time I've had to play while people sat there drunk.  
You know, I'd catch the next train back to where I live.  
Oh ! Lord, I'm stuck in Lodi again.  
Oh ! Lord, I'm stuck in Lodi again.

**"Lodi"** is a song written by John Fogerty and performed by Creedence Clearwater Revival. Recorded in March 1969, it was released in April, four months before the album, as the B-side of "Bad Moon Rising", the lead single from *Green River*.

The song describes the plight of a down-and-out musician whose career has landed him playing gigs in the town of Lodi (pronounced "low-die"), a small agricultural city in California's Central Valley about 70 miles (110 km) from Fogerty's hometown of Berkeley. After playing in local bars, the narrator finds himself stranded and unable to raise bus or train fare to leave. Fogerty later said he had never actually visited Lodi before writing this song, and simply picked it for the song because it had "the coolest sounding name." However, the song unquestionably references the town's reputation as an uninteresting farm settlement, though the narrator does not make any specific complaints. The song's chorus, "Oh Lord, stuck in Lodi again," has been the theme of several city events in Lodi.

Fogerty stated, "On 'Lodi', I saw a much older person than I was, 'cause it is sort of a tragic telling. A guy is stuck in a place where people really don't appreciate him. Since I was at the beginning of a good career, I was hoping that that wouldn't happen to me."

### **"Wicked Game" Chris Isaak Lyrics**

The world was on fire and no one could save me but you.  
It's strange what desire will make foolish people do.  
I never dreamed that I'd meet somebody like you.  
And I never dreamed that I'd lose somebody like you.

No, I don't want to fall in love (this girl is only gonna break your heart)  
No, I don't want to fall in love (this girl is only gonna break your heart)  
With you, with you (this girl is only gonna break your heart)

What a wicked game you play to make me feel this way.  
What a wicked thing to do, to let me dream of you.  
What a wicked thing to say, you never felt this way.  
What a wicked thing to do, to make me dream of you

And I wanna fall in love (this girl is only gonna break your heart)  
No, I wanna fall in love (this girl is only gonna break your heart)  
With you.

The world was on fire and no one could save me but you.  
It's strange what desire will make foolish people do.  
I never dreamed that I'd love somebody like you.  
And I never dreamed that I'd lose somebody like you,

No, I wanna fall in love (this girl is only gonna break your heart)  
No, I wanna fall in love (this girl is only gonna break your heart)  
With you (this girl is only gonna break your heart)  
With you (this girl is only gonna break your heart)  
No, I... (this girl is only gonna break your heart)  
(this girl is only gonna break your heart)

Nobody loves no one.

### **"Maybe Baby" Conway Twitty lyrics**

Maybe baby, I'll have you  
Maybe baby, you'll be true  
Maybe baby, I'll have you for me (All for me)  
It's funny honey you don't care  
You never listen to my prayer  
Maybe baby you will love me someday (Someday)  
Well, you are the one (You're the one) that makes me glad (You're the one)  
And you are the one (You're the one) that makes me sad (You're the one)  
When someday (You're the one) you want me (You're the one)  
Well, I'll be there, wait and see  
Maybe baby, I'll have you  
Maybe baby, you'll be true  
Maybe baby, I'll have you for me (All for me)

Well, you are the one (You're the one) that makes me glad (You're the one)  
And you are the one (You're the one) that makes me sad (You're the one)  
When someday (You're the one) you want me (You're the one)  
Well, I'll be there, wait and see  
Maybe baby, I'll have you  
Maybe baby, you'll be true  
Maybe baby, I'll have you for me (All for me)  
Maybe baby, I'll have you for me (You're for me)

Sheldon's Band plays **He Stopped Loving Her Today**

**"He Stopped Loving Her Today" - George Jones lyrics**

He said, "I'll love you till I die"  
She told him, "You'll forget in time"  
As the years went slowly by  
She still preyed upon his mind

He kept her picture on his wall  
Went half-crazy, now and then  
He still loved her through it all  
Hoping she'd come back again

Kept some letters by his bed  
Dated 1962  
He had underlined in red  
Every single 'I love you'

I went to see him just today  
Oh, but I didn't see no tears  
All dressed up to go away  
First time I'd seen him smile in years

He stopped loving her today  
They placed a wreath upon his door  
And soon they'll carry him away  
He stopped loving her today

You know, she came to see him one last time  
Oh, and we all wondered if she would  
And it kept running through my mind  
This time he's over her for good

He stopped loving her today  
They placed a wreath upon his door  
And soon they'll carry him away  
He stopped loving her today

Sheldon's Band plays **Act Naturally**

<https://www.azlyrics.com/lyrics/buckowens/actnaturally.html>

**"Act Naturally" -- Buck Owen lyrics**  
(duet with Ringo Starr)

They're gonna put me in the movies  
They're gonna make a big star out of me  
We'll make a film about a man that's sad and lonely  
And all I got to do is act naturally

Well, I bet you I'm a gonna be a big star  
Might win an Oscar you can never tell  
The movie's gonna make me a big star,  
'Cause I can play the part so well.

Well, I hope you come and see me in the movie  
Then I'll know that you will plainly see  
The biggest fool that's ever hit the big time  
And all I got to do is act naturally.

We'll make a scene about a man that's sad and lonely  
And begging down upon his bended knee  
I'll play the part but I won't need rehearsing  
All I have to do is act naturally.

Well, I bet you I'm a gonna be a big star  
Might win an Oscar you can never tell  
The movie's gonna make me a big star,  
'Cause I can play the part so well.

Well, I hope you come and see me in the movie  
Then I'll know that you will plainly see  
The biggest fool that's ever hit the big time  
And all I got to do is act naturally...
