Subject: FW: Reasons for attending 50th Reunion

Sheldon

With heavy heart, I have to notify you that I will not be able to attend the re-union next weekend. Unfortunately, a couple of weekends ago I had a cardiac event and had to undergo stenting of the main coronary artery. Fortunately, the blockage was not complete and I therefore I did not need a bypass, but combined with other chronic conditions I will be on the no fly list for 1-2 months.

Perhaps you can convey the following to those who will be there at the reunion:

GWHS provided the structure I needed to go beyond my roots. My wife Linda and I made a major endowment to GWHS several years ago and if all goes well with my new company more will be forthcoming.

I will miss seeing Connie Howard, Noah Griffith, Dan again, and others as well. A year ago Frank Pratt IV was found by his sister. He was living under an assumed name and with Canadian citizenship on a small island in the Pacific Northwest a few miles from the border. Some preliminary emails with him convinced me that his brain had been fried by drugs somewhere along the line and after a lot of soul-searching I decided not to visit him. Since he was the best friend I have ever had it was a very bittersweet decision.

I do hope that the remaining members of our great class can set up a list serve and for those who are so inclined to possibly set up a Facebook existence (so far I have never participated in Facebook, but would consider doing this one)

I wish all my classmates a successful and fun reunion Frank
