Advertising photo for the Tree of Life Gala, 2024. Entertainment by the school's students.

Holy Trinity Private School was founded to protect and preserve the Orthodox Old Believer faith, practices, and traditions. With that dedication to a childs well being, they founded HTPS. What started off as a dream uttered to a small group of people became purchasing an empty building, reconstructing the structure into a working school, then adding 6 modulars on to the property to make room for over 200 children from kindergarten through high school.

The annual gala is one of the many ways HTPS strives to keep tuition affordable and accesible for its families.

Any donation made to HTPS in the form of a gala merch or ticket purchase, sponsorship, or other donation may be tax-reductible.
